1. Scope and application

- 1.1 The objectives of APES 345 *Reporting on Prospective Financial Information prepared in connection with a Public Document* are to specify a **Member in Public Practice's** professional and ethical obligations in respect of:
- fundamental responsibilities of the **Member** who performs a **Reporting Service Engagement**;
 - compliance with applicable **Independence** requirements;
 - consideration of relationships and the provision of other **Professional Services** that create threats to the **Member's** ability to comply with the fundamental principles;
 - reporting and documentation;
 - communication with **Those Charged with Governance**; and
 - the impact of any litigation between the **Client** or its related entities and the **Firm**.
- 1.2 Accounting Professional & Ethical Standards Board Limited (APESB) has revised professional standard APES 345 *Reporting on Prospective Financial Information prepared in connection with a Public Document (the Standard)*, which is effective for **Engagements** commencing on or after 1 April 2023 and supersedes APES 345 issued in November 2019. Earlier adoption of this Standard is permitted.
- 1.3 APES 345 sets the standards for **Members in Public Practice** in the provision of quality and ethical **Professional Services** in respect of **Reporting Service Engagements**. The mandatory requirements of this Standard are in **bold-type**, preceded or followed by discussion or explanations in normal type. APES 345 should be read in conjunction with other professional duties of **Members**, and any legal obligations that may apply.
- 1.4 **Members in Public Practice in Australia shall follow the mandatory requirements of APES 345 when they undertake Reporting Service Engagements for Clients.**
- 1.5 **Members in Public Practice practising outside of Australia shall follow the mandatory requirements of APES 345 to the extent to which they are not prevented from so doing by specific requirements of local laws and/or regulations.**
- 1.6 The compilation of **Prospective Financial Information** does not, in itself, constitute a **Reporting Service Engagement**. APES 315 *Compilation of Financial Information* applies in these circumstances.
- 1.7 **Members in Public Practice shall comply with other applicable Professional Standards and be familiar with relevant guidance notes when providing Professional Services. All Members shall comply with the fundamental principles outlined in the Code.**
- 1.8 The Standard is not intended to detract from any responsibilities which may be imposed by law or regulation.
- 1.9 All references to **Professional Standards**, guidance notes and legislation are references to those provisions as amended from time to time.
- 1.10 In applying the requirements outlined in APES 345, **Members in Public Practice** should be guided not merely by the words but also by the spirit of this Standard and the **Code**.
- 1.11 In this Standard, unless otherwise specified, words in the singular include the plural and vice versa, words of one gender include another gender, and words referring to persons include corporations or organisations, whether incorporated or not.
