Item No.	Paragraph No.	Respondents' Comments	Change made to standard?

2	10.26	Suggest removing 'where' at the beginning as this implies there are alternatives but for restructuring practitioners there are not.	No
3	Appendix 4	First paragraph under the line – the restructuring practitioner does not act as an officer of the company. An RP is an agent only, not an officer (Corps Act Sect 453H).	No
